This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

**Description:**

I do not agree with that the Ohio regulatory commission should give Columbia Gas Company a pass to increase their minimum rate hike. I know that the members of these commissions and some utilities companies in general receive enough compensation for their services, get them to pay their fare share and leave Ohio residence with some assurance that their voices can be heard above the bureaucracy of the
