This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: I am a property owner of residential real estate. I believe this bill, if passed will increase my utility costs forcing me to increase rents on tenants who mostly live paycheck to paycheck. This bill would hurt lower income families and further drive inflation. Because as a property owner, I will be passing any additional costs on to my tenants and I believe any business will do the same. Please do not let this pass! Thank you!
