

**BEFORE
THE PUBLIC UTILITIES COMMISSION OF OHIO**

In the Matter of the Application of)	
North American Power and Gas, LLC for)	Case No. 12-1134-GA-CRS
Certification as a Retail Natural Gas)	
Supplier.)	

MOTION FOR EXTENSION OF CERTIFICATE

North American Power and Gas, LLC (“NAP&G”) seeks an extension of Certificate No. 12-249G, which was issued in Case No. 12-1134-GA-CRS. The expiration date of Certificate No. 12-249G was November 1, 2022. Due to inadvertent oversight, NAP&G did not file its renewal application before the expiration of its Ohio natural gas certificate. NAP&G, however, filed an application to renew its natural gas certificate on December 8, 2022, including supporting attachments. Also, on December 8, 2022, NAP&G submitted under seal confidential exhibits supporting its renewal application.

WHEREFORE, NAP&G respectfully requests that Certificate No. 12-249G be extended from November 1, 2022, until the requested renewal certificate is issued, and that NAP&G be authorized to continue to operate during the pendency of the renewal application certification review.

Respectfully submitted,

/s/ Gretchen L. Petrucci

**MEMORANDUM IN SUPPORT OF
MOTION FOR EXTENSION OF CERTIFICATE**

North American Power and Gas, LLC (“NAP&G”) did not meet the date for its renewal application in Case No. 12-1134-GA-CRS and its Ohio natural gas certificate expired on November 1, 2022. The delay was inadvertent and NAP&G apologizes for this delay. NAP&G, however, filed its renewal application on December 8, 2022.

Rule 4901:1-24-04 of the Ohio Administrative Code provides that a supplier may request an extension of a prior certificate and such a motion requesting an extension of a previous certificate will be deemed automatically approved (unless ruled otherwise by the Commission or an Attorney Examiner within three business days), if a renewal application is filed no later than 60 calendar days after the expiration date of the certificate. NAP&G submits that it met this criteria. Additionally, NAP&G submits that extension of the certificate is also in accordance with the Commission’s June 3, 2020 decision¹ which allows an extension of a previous certificate for up to 90 days while the renewal application is reviewed.

NAP&G requests an extension of Certificate No. 12-249G issued in Case No. 12-1134-GA-CRS from November 1, 2022, until such time as a renewal certificate is issued.

Respectfully submitted,

/s/ Gretchen L. Petrucci
