Re: In the Matter of the Certificate No. 22-106968E – Application of Octopus Energy, LLC for a Ohio Competitive Retail Electric Service Provider License – New Director/Officer Information

Dear Ms. French:

On January 1, 2023, Wayne T. Tencer opted to end his working relationship with Octopus Energy LLC (the "Company"). Up until this very moment, he is listed as a direct point of contact in our electric license application under the title of: US Financial Controller. Although it has taken us a few days to cope with the loss and abrupt change in management, we have found an extremely capable replacement and will be using this letter to provide you with further details of the new officer's background experience.

Attached you will find the curriculum vitae for Laurence Goodman as he will be taking over any and every financial responsibility pertaining to Octopus Energy maintaining our good standing with the Public Utilities Commission and any ongoing business in the State of Ohio.

If you have any questions about this exciting news and what it will mean for you, please contact any of us at any time. We are confident that our new officer will serve us all well.

Sincerely,

Rebecca L DuPont
Director of Operations | Octopus Energy US
