Brian Weego	bweego@spragueenergy.com	Director & VP Natural Gas	185 International Dr. Portsmouth, NH 03801 US

A-13. Company history

Sprague Energy Solutions Inc. (Sprague) provides broker services exclusively to commercial, industrial and mercantile customers. Sprague will continue to target customers in these rate classes. A customer choosing a retail supplier signs a contract with that supplier, not with Sprague. The supplier enrolls and bills the customer and directly handles customer inquiries and complaints. Sprague has an excellent and dedicated customer service staff available to handle customer inquiries and this provides the customer with an optional resource for assistance

should the need arise. Sprague does not provide any billing related or collection activity services.

A-14. Secretary of State

Secretary of State Link: <https://businesssearch.ohiosos.gov/>

Section B: Applicant Managerial Capability and Experience

B-1. Jurisdiction of operations

List all jurisdictions in which the applicant or any affiliated interest of the applicant is certified, licensed, registered or otherwise authorized to provide retail natural gas service or retail/wholesale electric service as of the date of filing the application..

File Attached

B-2. Experience and plans

Describe the applicant's experience in providing the service(s) for which it is applying (e.g., number and type of customers served, utility service areas, amount of load, etc.). Include the plan for contracting with customers, providing contracted services, providing billing statements and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Sections 4928.10 and/or 4929.22 of the Ohio Revised Code.

File(s) attached

B-3. Disclosure of liabilities and investigations

For the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant, describe all existing, pending or past rulings, judgments, findings, contingent liabilities, revocation of authority, regulatory investigations, judicial actions, or other formal or informal notices of violations, or any other matter related to competitive services in Ohio or equivalent services in another jurisdiction..

File Attached

B-4. Disclosure of consumer protection violations

Has the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant been convicted or held liable for fraud or for violation of any consumer protection or antitrust laws within the past five years?

No

B-5. Disclosure of certification, denial, curtailment, suspension or revocation

Has the applicant, affiliate, or a predecessor of the applicant had any certification, license, or application to provide retail natural gas or retail/wholesale electric service denied, curtailed, suspended, revoked, or cancelled or been terminated or suspended from any of Ohio's Natural Gas or Electric Utility's Choice programs within the past two years?

No

Section C: Applicant Financial Capability and Experience

C-1. Financial reporting

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

File(s) attached

C-2. Financial statements

Provide copies of the applicant's two most recent years of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted**.

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

Preferred to file this information confidentially

C-3. Forecasted financial statements

Provide two years of forecasted income statements **based solely on the applicant's anticipated business activities in the state of Ohio.**

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

Preferred to file confidentially

C-4. Credit rating

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services, Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

This does not apply

C-5. Credit report

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity seeking certification. At a minimum, the credit report must show summary information and an overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

Preferred to file this information confidentially

C-6. Bankruptcy information

Within the previous 24 months, have any of the following filed for reorganization, protection from creditors or any other form of bankruptcy?

- Applicant
- Parent company of the applicant
- Affiliate company that guarantees the financial obligations of the applicant
- Any owner or officer of the applicant

No

C-7. Merger information

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

No

C-8. Corporate structure

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies, subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

File(s) attached

Section D: Applicant Technical Capacity

D-1. Operations

Power brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of electricity to retail customers.

File(s) attached

D-2. Operations Expertise & Key Technical Personnel

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-mail addresses, and background of key personnel involved in the operations of the applicant's business.

File(s) attached

Public Utilities
Commission

Application Attachments

D1. Operations

Sprague has been a leading energy supplier since it was founded in Boston, MA in 1870. Today, we are headquartered in Portsmouth, NH and are a leading provider of refined fuels, natural gas, electricity, materials handling and related products and services to wholesale, commercial and industrial customers. We currently employs over 1,200 individuals throughout our service territory in the US and Canada.

Sprague brokers electricity to over 8, 000 commercial and industrial customers located primarily in the US Northeast (New England, NY, PA, NJ, OH, VA and MD) with some customer locations in other deregulated states including IL, TX and FL among others. Our Power Operations Team includes five Sprague employees primarily located in our Eatontown, NJ satellite office. The Power Team is responsible for the following:

- Provide pricing and program support to our sales team
- Manage contract, pricing and sales administration with over 20 power suppliers
- Perform all related internal auditing, forecasting, reporting and planning

D2. Operations Expertise and Key Technical Personnel

Mark A. Roberts

Managing Director – Power Operations and Business Development

603-766-7412

mroberts@spragueenergy.com

Mark has been with Sprague since the creation of their natural gas department in 1999. He has extensive experience in all aspects of natural gas, oil and electricity marketing, sales and supply operations in the Northeastern United States as well as a strong proven record of senior and sales organizational management, staff development, acquisition planning and integration, growth and strategic initiative planning and implementation.

Marilyn Sweeney

Manager - Contract Administration and Power Pricing Desk Team

732-440-0017

mssweeney@spragueenergy.com

Marilyn has been with Sprague since it acquired Metromedia Energy in 2015. She was part of the original team at Metro and played a significant role in the developed and management of their Power Pricing Desk. She has continued and expanded that role at Sprague. Marilyn is very well versed in all aspects of the Desk's functions and responsibilities previously listed and oversees day-to-day operations and staff management.

SPRAGUE ENERGY SOLUTIONS INC.

Exhibit B-1 “Jurisdiction of Operation”

The company is a licensed electricity broker and/or is authorized to operate in the following jurisdictions:

- Connecticut
- Delaware
- District of Columbia
- Illinois
- Maine
- Maryland
- Massachusetts
- Michigan
- New Hampshire
- New Jersey
- New York
- Ohio
- Pennsylvania
- Rhode Island
- Texas
- Virginia

SPRAGUE ENERGY SOLUTIONS INC.

Exhibit B-2 “Experience & Plans”

Sprague Energy Solutions Inc. (Sprague) provides broker services exclusively to commercial and industrial customers in the 16 jurisdictions detailed in Exhibit B-1. Sprague will continue to target customers in these rate classes as it expands deeper into these markets and into other states.

A customer choosing a retail supplier signs a contract with that supplier, not with Sprague. The supplier enrolls and bills the customer and directly handles customer inquiries and complaints. However, because the expertise of Sprague’s sales team is instrumental in the customer’s decision to choose a new supplier, Sprague may find that a customer contacts Sprague for post-enrollment information. Sprague has an excellent and dedicated customer service staff available to handle customer inquiries and this provides the customer with an optional resource for assistance should the need arise.

Sprague does not provide any billing-related or collection activity services.

SPRAGUE ENERGY SOLUTIONS INC.

Exhibit B-3 “Disclosure of Liabilities and Investigations”

Not applicable.

SPRAGUE ENERGY SOLUTIONS INC.

Exhibit C-8 “Bankruptcy Information”

Not applicable.

Competitive Retail Electric Service Affidavit

County of Rockingham:

State of NH :

Paul Scott, Affiant, being duly sworn/affirmed, hereby states that:

1. The information provided within the certification or certification renewal application and supporting information is complete, true, and accurate to the best knowledge of affiant, and that it will amend its application while it is pending if any substantial changes occur regarding the information provided.
2. The applicant will timely file an annual report of its intrastate gross receipts, gross earnings, and sales of kilowatt-hours of electricity pursuant to Sections 4905.10(A), 4911.18(A), and 4928.06(F), Ohio Revised Code.
3. The applicant will timely pay any assessment made pursuant to Sections 4905.10, 4911.18, and 4928.06(F), Ohio Revised Code.
4. The applicant will comply with all applicable rules and orders adopted by the Public Utilities Commission of Ohio pursuant to Title 49, Ohio Revised Code.
5. The applicant will cooperate fully with the Public Utilities Commission of Ohio, and its Staff on any utility matter including the investigation of any consumer complaint regarding any service offered or provided by the applicant.
6. The applicant will fully comply with Section 4928.09, Ohio Revised Code regarding consent to the jurisdiction of Ohio Courts and the service of process.
7. The applicant will comply with all state and/or federal rules and regulations concerning consumer protection, the environment, and advertising/promotions.
8. The applicant will use its best efforts to verify that any entity with whom it has a contractual relationship to purchase power is in compliance with all applicable licensing requirements of the Federal Energy Regulatory Commission and the Public Utilities Commission of Ohio.
9. The applicant will cooperate fully with the Public Utilities Commission of Ohio, the electric distribution companies, the regional transmission entities, and other electric suppliers in the event of an emergency condition that may jeopardize the safety and reliability of the electric service in accordance with the emergency plans and other procedures as may be determined appropriate by the Commission.
10. If applicable to the service(s) the applicant will provide, it will adhere to the reliability standards of (1) the North American Electric Reliability Council (NERC), (2) the appropriate regional reliability council(s), and (3) the Public Utilities Commission of Ohio.
11. The Applicant will inform the Public Utilities Commission of Ohio of any material change to the information supplied in the application within 30 days of such material change, including any change in contact person for regulatory purposes or contact person for Staff use in investigating consumer complaints.

12. The facts set forth above are true and accurate to the best of his/her knowledge, information, and belief and that he/she expects said applicant to be able to prove the same at any hearing hereof.

13. Affiant further sayeth naught.
