I'm writing this letter to reopen my case
OH3274023982D

Apparently, there's an error on my CDL license I am an Illinois resident. This is my name and license info.

Lindsey Olden my LICENSE # [REDACTED]

I have followed up with Illinois department of motor vehicles and also Ohio motor vehicles.

Looks like apparently Illinois says that my license was valid on the day I got the citation. An electronic email was sent to Illinois from Ohio.

Also, Illinois and Ohio see in their system that there is a Florida license attached to my ticket which is not mine.

This information was also followed up at the Ohio motor vehicles and PUCO.
I was informed that I had to write letters to reopen this case and get this error fixed.

I also have called collections and they have affirmed that I do not have a case in collections with my name.

Here is the information on the tickets and the Florida citation number that you need to open my account.

I would appreciate it if you please follow up with me and let me know how I can take care of this issue to clear my CDL license as soon as possible
