RE: CASE# 22-893-EL-CSS, Christen M. Price

Whomever It Concerns:

In September of 2022 I, Christen M Price, the complainant, filed a formal complaint against The Illuminating Company with PUCO. I recently received a Judgement Entry stating that a settlement conference has been scheduled for February 7, 2023, at 11am, in Columbus. I also recently called & spoke to David Hicks asking if it would be possible to hold the settlement conference via zoom. Mr. Hicks advised me that I had to file a docket asking for the conference to be held via Zoom. I am a single mother & also the sole caregiver to my mother who is very ill. She has been in the hospital twice since December, had a procedure done yesterday (01/19/23) & is requiring another procedure to be done within the next couple of weeks. She is not supposed to be left alone for any length of time.

Therefore, I, Christen M Price, the complainant, would like to formally request that the Commission change our settlement conference to from in-person to Zoom.

If you need any further information or have any questions, please don't hesitate to contact me.

Thanking you in advance,

Christen M. Price
