**REVIEW AND RECOMMENDATION
SUBMITTED ON BEHALF OF THE STAFF OF
THE PUBLIC UTILITIES COMMISSION OF OHIO**

On December 28, 2022, Frontier North, Inc. (Applicant) filed this ATA seeking to revise its P.U.C.O. No. 11 tariff. In this filing, the Applicant is proposing to add a provision for facility extension.

Pursuant to Ohio Adm.Code 4901:1-6-14(J), changes to terms and conditions of existing basic local exchange service must be filed as a thirty-day application for tariff amendment (ATA) and requires a customer notice be filed in accordance with Ohio Adm.Code 4901:1-6-07. In this application, the Applicant is proposing to add a provision for facility extension charges. The Applicant states the customer notice is not applicable. A customer will be notified of the charge when a facility extension is requested. As such, no customer notice is needed. Therefore, staff finds that the application meets all the requirements set forth in the applicable rules.

Staff reviewed all documents and exhibits filed on December 28, 2022, and as amended on January 13, 2023, and in conclusion, the staff review found that the application is reasonable. Therefore, staff recommends that the Applicant's application for tariff amendment be approved.
