**DOCKETING CASE #:** 22-900-EL-SSO      Case No. 22-900  
22-901  
**SUBJECT:** AES Ohio - Protest Rate Case      22-902

Description: Why have you allowed Aes to over charge its customers . After tgey took over dpl they decided to DOUBLE our rates? Arent you there to protect us for bad dealings of public utility companies?????? Aes needs to be broken up and smaller compaines take it over in ohio atleast and send Aes back to where ever they came from.  
Fyi it cost me 5k for them to install new pole so i could get power back to my home after a wind storm took down the poles giving me power. They are unrealistic company just looking to make stock holders and ceo's rich .....Protect us from them and make this right as you should. Unless they have found there way into your org and now dictate what you can do
