DOCKETING DIVISION
Public Utilities Commission of Ohio

Dear Power Siting Board,

Please look at the Madison Fields case record comments regarding construction . I have listed a link below to the case record for Madison Fields. Residents of Arcadia and Washington township don't want South Branch Solar or any of these nuisances listed. We don't want construction to start at 5:30am or big lights to shine in the dark. The South Branch Solar project is right next to our village and .7 of a mile from our school. Please don't turn our small agriculture community into a ghost town. Let us thrive like we have for the past 100+ years.

Rachelle Harmon
