RECEIVED-DOCKETING DIV  
2023 FEB 15 PM 2:08

Dear Power Siting Board,

PUCO

How can someone who is licensed to appraise in Arizona, California, and Nevada and not Ohio be allowed to appraise hear for the South Branch Solar project.

Also what about all the shadows from the trees, shrubs, and panels that will shadow over crops being grown next to the project. It will cause a loss on yields. So this will hurt the neighbors.

Rachelle Harmon
