Enter your Comment or Complaint:	We do not want a solar factory to be built next to our farm. We're are very worried about the damage to wildlife, wetlands, and soil. We don't want to see farmers losing land. We are worried about the construction traffic. We know similar projects in highland county have not treated workers fairly Please do not allow this project to go forward and destroy our beautiful rural homeland. We live in a rural environment and always have. We don't want it to change. I grew up right next to this project and still live here. I've lived in Ohio my whole life. Please help us.
