<b>Enter your question or comment</b>	22-0549-EL Hello, I am a resident of Madison County and I believe that Oak Run solar is the right thing for our community. Solar energy allows us a unique opportunity to potentially become energy independent. Oak Run will also provide hundreds of millions of tax dollars that will directly benefit each and every one of Madison County's residents. I believe this is the right time to integrate solar energy into our community!
