Enter your question or comment	22-0549-EL-BGN Please add my name to the growing list of supporters of Oak Run who live in Madison County! I support the move of having Madison County be a leader in Ohio in renewable energy. I also see that this project will have a significant economic impact to various important areas of our county. From our schools to our health services, we should always support ways to bring revenue into the county without having to make sacrifices.
