Enter your question or comment	<p>I am a West Jefferson resident, and I would like to ask Madison County to support Oak Run! The solar project is not only preparing our residents for the future, we are also taking advantage of benefits that are hard to ignore. Does this project cost anything for the County? No. Is anyone being forced to house solar panels? No. At no cost to taxpayers and our elected officials, this project is too financially impactful to decline. I stand in support of Oak Run and urge you to do so as well. 22-0549-EL-BGN</p>
