Re: Re: Request to Modify Order; Wood Street - DOT#474-526J

Dear Commission,

This letter is a request for an extension for the above referenced project. We completed the groundwork/site prep with the exception of curbs. Due to being behind on receiving material from vendors at the end of last year and lining up schedules we are requesting a 90 day extension on this project. Thank you for your assistance with this project. Please reach out to me with any questions.

Respectfully,

Tim Andrews
