Enter your question or comment	Every child has specific needs in education. With increased funding Madison County educators can have the tools they need to ensure every child gets the tools he or she needs to succeed. Yes, every kid deserves a high-quality education. For this reason (in addition to countless other benefits such as jobs and supporting private property rights), I support the Oak Run Solar Project. \$3.5 million dollars in additional funding a year for our school districts is too much to reject just because a few people don't want to look at solar panels. I urge you to support Oak Run! 22-0549-EL-BGN
