Enter your question or comment	22-0549-EL-BGN I support Oak Run Solar because for the next few decades the project will provide additional funding a year to our first responders, health services, and local schools. There are many of our fellow residents who work hard in these fields. The additional funding to ensure they can succeed in their area of work totals to over \$4,000,000 dollars from the Oak Run project. And that doesn't even include money going to other groups such as Veterans getting \$48,000 in additional funding and \$77,000 to seniors. I urge you to support Oak Run!

This is to certify that the images appearing are accurate and complete reproduction of a case file document delivered in the regular course of business.
