**IN THE MATTER OF THE LONG-TERM  
FORECAST AND RESOURCE PLAN OF  
DUKE ENERGY OHIO, INC.**

**CASE NO. 23-503-EL-FOR**

**ENTRY**

Entered in the Journal on March 13, 2023

{¶ 1} Duke Energy Ohio, Inc. (Duke) is a public utility as defined in R.C. 4905.02, and, as such, pursuant to Ohio Adm.Codes 4901:5-3-01 and 4901:5-5-06, electric utilities are required to file a long-term forecast report, including a resource plan, by April 15th of each year. Further, Ohio Adm.Code 4901:5-3-01(D) permits the Commission to grant an extension of the filing deadline for good cause shown.

{¶ 2} On February 14, 2023, Duke filed a motion for a waiver of the Commission rules and a request for expedited treatment. Duke seeks an extension of the filing requirements so it can complete internal reporting and provide current and accurate information. In support of its request, Duke states that an extension will enable proper consideration and coordination of submissions to the Commission, including renewable compliance filings. Duke requests a new deadline of July 1, 2023, and notes that the extension will not cause undue delay or unfairly prejudice any prospective intervenors.

{¶ 3} Because the extension request will not cause undue delay or unfair prejudice, the attorney examiner finds that the request is reasonable and good cause exists to grant the request. Accordingly, Duke shall file its long-term forecast report and resource plan by July 1, 2023.

{¶ 4} It is, therefore,

{¶ 5} ORDERED, That Duke's motion for extension of time to file its long-term forecast report and resource plan be granted. It is, further,

{¶ 6} ORDERED, That Duke file its long-term forecast report and resource plan on or before July 1, 2023. It is, further

{¶ 7} ORDERED, That a copy of this Entry be served upon each party of record be served upon each party of record.
