Updated Project Layout

Case: Powell Creek Solar Project, 20-1084-EL-BGN

Dear Ms. Herrnstein:

Staff has received and reviewed your correspondence filed March 9, 2023. That correspondence detailed anticipated layout changes to the solar facility that will be reflected in final engineering drawings and stated Powell Creek Solar, LLC's intention to withdraw the application for amendment pending in case number 22-0915-EL-BGA. At this time, Staff has no objection to those proposed changes and the withdrawal of the application for amendment.

If you have questions as to Staff's review of this request or our role in supporting the Ohio Power Siting Board, please contact me.

Sincerely,

Andrew Conway
