Enter your Comment or Complaint:	I'd like to voice my support for this proposed solar facility. I believe private landowners have the right to utilize their land in the way they see fit. In my opinion, leasing land to an energy company looking to harvest the sun's energy is no different than leasing to an agribusiness firm looking to harvest corn for ethanol. I completely support the right of landowners to choose who they lease their land to and what's produced on their land. When the market presents new economic
