Enter your Comment or Complaint:	Here we go again..... Some solar company with big ideas to back the terrible Oak Run project. I guess that now makes two of y'all! You should all have more then enough supporters, miles and miles away from our community in Madison county Ohio, that you could get in contact with and see if you can ruin their farmland!! We the locals do not want SAVION at all!! I like what was said, the further away the comments are from Oak Run, the more enthusiastic they are!! Idea people invite SAVION to put 6000+ acres of panels in your back yard where you live so you can look

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
