TERM	RETAIL NATURAL GAS SERVICE CHARGES	CANCELLATION FEE	RENEWAL
Until the October 2024 meter read date ("Term").	\$0.839 per Ccf. Price is for Retail Natural Gas Service. Price excludes any and all applicable taxes, utility Distribution Service charges, and other Non-bypassable utility costs, charges, and fees.	You may cancel at any time during the Term without penalty. See <b>Section 6</b> for details.	Your Retail Natural Gas Service will terminate after the Term. See <b>Section 8</b> for details.

**TERMS AND CONDITIONS.** These terms and conditions of enrollment in your community's natural gas aggregation program (the "Program") are disclosed to you pursuant to Section 4929.26(D) of the Ohio Administrative Code and Section 4901:1-28-04 of the Ohio Administrative Code (these "Terms and Conditions") and govern your Retail Natural Gas Service with AEP Energy, Inc. ("AEP Energy"). Please keep a copy for your records. AEP Energy is certified by the Public Utilities Commission of Ohio ("PUCO") to offer and supply Retail Natural Gas Service in Ohio. As a Competitive Retail Natural Gas Service ("CRNGS") provider, AEP Energy will supply Retail Natural Gas Service to the interconnection (the "Delivery Point") of your local natural gas public utility or any successor entity that distributes natural gas to you ("NGDC") based on your consumption and pursuant to these Terms and Conditions. Your local natural gas public utility will continue to be your NGDC. All of your Retail Natural Gas Service will be supplied and delivered under the Program, which is governed by the Government Aggregation Master Retail Natural Gas Supply Agreement between the relevant government aggregator (the "Government Aggregator") and AEP Energy (the "Program Agreement"). You participate in the Program either by (1) not electing to opt out of the Program (i.e., by not returning a completed Program "opt-out" election form (as included in any informational letter provided with these Terms and Conditions) or by not otherwise contacting AEP Energy as prescribed) or (2) being an eligible customer residing in the relevant jurisdictional territory applicable under the Program Agreement (not otherwise included in the most recent "opt-out" process) that agrees to be subject to these Terms and Conditions (i.e., "opts-in" to the Program), in each case, subject to any exercise of your rescission right (as described under "Right of Rescission"). Your NGDC then distributes or delivers the natural gas to you. Your Distribution Service will remain with your current NGDC, which is regulated by the PUCO. Your NGDC also will continue to read your meter, provide your monthly bill and respond to emergencies. The words "we," "us," and "our" refer to AEP Energy, and the words "you" and "your" refer to the customer.

**CERTAIN DEFINITIONS.** "Competitive Retail Natural Gas Service provider" or "CRNGS provider" means an entity that sells commodity natural gas to retail customers in Ohio. "Retail Natural Gas Service" means the provision of natural gas to retail customers. "Non-bypassable utility costs, charges, and fees" means those NGDC charges and fees payable by you regardless of whether the NGDC or a CRNGS provider provides Retail Natural Gas Service. "Distribution Service" means the physical delivery of natural gas to

customers by the NGDC. "Billing Cycle" means, with respect to a customer account, the monthly period between meter read dates during the Term.

**RIGHT OF RESCISSION:** Once you have been enrolled to receive Retail Natural Gas Service from AEP Energy, your NGDC will send you a confirmation letter. You have the right to rescind your enrollment without penalty within seven (7) business days following the postmark date of the confirmation letter by contacting your NGDC orally or in writing and following the instructions contained in the letter.

**OTHER IMPORTANT DISCLOSURES.** The pricing contained herein may be inclusive of a broker fee. **Price Comparison Qualification:** Please be advised that the NGDC's standard offer service rates generally change from time to time. AEP Energy therefore does not provide any guarantee of savings in comparison to the NGDC's standard offer service rates during the Term. If you received any price comparison(s) in connection with your enrollment, by participating in the Program, you understand and agree that AEP Energy has informed you that no guarantee of savings during the Term is being provided.

**1. Eligibility.** Customers must reside within the relevant jurisdictional territory applicable under the Program Agreement. Residential customer accounts that are on residential rates codes and small commercial customers with annual consumption less than 5,000 Ccf or 500 Mcf per year that are not enrolled in the Percentage of Income Payment Plan Plus Program (PIPP Plus) are eligible for participation in the Program. AEP Energy will refuse enrollment to any customer who is not current on their Non-bypassable utility costs, charges, and fees, unless the customer has entered into a plan with their NGDC to discharge any arrearages owed to the NGDC.

**2. Price.** Starting with the first Billing Cycle of through the last Billing Cycle of the "Term" (as listed in the table above), you agree to pay AEP Energy the price stated in the table above under "Retail Natural Gas Service Charges" for each one hundred cubic feet ("Ccf") or all one thousand cubic feet ("Mcf") (as may be applicable) of all applicable Retail Natural Gas Service metered by the NGDC. You are responsible for, and your price does not include, any and all applicable state and local taxes and/or Non-bypassable utility costs, charges, and fees, which will be billed by the NGDC. In addition to AEP Energy's charges, you will be charged by your NGDC for Distribution Service and other Non-bypassable utility costs, charges, and fees. The PUCO does

not regulate AEP Energy's prices. Note that if, due to a change in market conditions, we wish to lower the price per Ccf or Mcf charged to you under these Terms and Conditions, we may do so without your consent, provided there are no other changes to these Terms and Conditions. In the event of any new, or any change in any existing, law, statute, rule, regulation, order, decision (including any judgment or judicial decision), decree, tariff, charge, or rate class, or process, practice, procedure, protocol, design, or structure, or other event, including any change in any formula rate calculation or charge or any change in any interpretation or application of any of the foregoing, by any governmental authority, court, NGDC, or other regulated service provider (a "Change in Law"), where such Change in Law results in AEP Energy incurring additional or increased costs or expenses or other adverse economic effects relating to providing the services contemplated herein (collectively, "Additional Costs"), then AEP Energy may pass through to you any such Additional Costs. Furthermore, Additional Costs may be assessed to you as prescribed by the PUCO.

**3. Term (Length of Service).** Your service from AEP Energy will begin on the start of service date determined by the NGDC, and these Terms and Conditions shall be considered effective, following: (a) the end of the seven (7) business day rescission period and (b) acceptance of your enrollment by your NGDC, and will continue for the Term (as listed in the table above), unless otherwise terminated or expired, ending on the date your NGDC effectuates your switch back to NGDC standard offer service or to another CRNGS provider. Your meter read date and the date of initiation of service are determined by your NGDC; therefore we are not liable for any resulting delay in commencement of your service. These Terms and Conditions do not automatically renew.

**4. Billing.** Unless AEP Energy notifies you otherwise, you will continue to receive a single bill, typically on a monthly basis, from your NGDC that will contain both your NGDC and AEP Energy charges (and you acknowledge that your billing and payment information may be provided to AEP Energy). Your NGDC's normal billing standards apply, including budget billing. You will be responsible for payment of the utility consolidated bill in accordance with applicable NGDC billing rules and procedures. Failure by you to pay your NGDC bill or meet any agreed-upon payment arrangement could result in service termination in accordance with your NGDC's tariff and the termination of your receipt of Retail Natural Gas Service from AEP Energy. Upon termination or expiration, you will be returned to your NGDC's applicable tariff service or you may switch to another CRNGS provider. AEP Energy reserves the right to issue an invoice to you directly. Such invoice would contain AEP Energy's charges for Retail Natural Gas Service and may also contain any and all applicable taxes and Non-bypassable utility costs, charges, and fees. If at any time AEP Energy must send you a bill directly for Retail Natural Gas Service provided under these Terms and Conditions, and if you do not pay the full amount owed to AEP Energy by the due date of the bill, a late payment fee with respect to amounts owed to AEP Energy of one and one-half percent (1.5%) of the outstanding balance per month, or the maximum legally allowed interest rate, whichever is lower, until such payment is received by AEP Energy, will apply. If AEP Energy bills you directly for Retail Natural Gas Service, AEP Energy may terminate Retail Natural Gas Service with fourteen (14) calendar days' written notice should you fail to pay the bill or meet any agreed-upon payment arrangements with respect to amounts owed to AEP Energy.

**5. Switching Fees.** AEP Energy will pay any currently-charged switching fee charged by your NGDC pursuant to its PUCO-approved tariff.

**6. Cancellation/Termination Provisions/Failure to Pay.** If Retail Natural Gas Service are not rescinded during the rescission period, your enrollment will be sent to your NGDC. You may terminate your participation in the Program, without penalty at any time, including, without limitation, if you move outside the relevant jurisdictional territory applicable under the Program Agreement. You will remain responsible to pay AEP Energy for any

commodity natural gas supply used before your Retail Natural Gas Service is cancelled or terminated for any reason, as well as any late fees (if applicable as described in the "Billing" section above). Should you cancel service with AEP Energy and return to standard offer service with your NGDC, an NGDC switching fee may apply under the NGDC's tariff, and the NGDC may charge a price for your service other than the standard rate that applies to other NGDC customers.

**7. Your Consent and Information Release Authorization.** By participating in the Program, you understand and agree to these Terms and Conditions. You authorize AEP Energy to obtain information from the NGDC that includes, but is not limited to: your billing history, payment history, historical and expected natural gas usage, meter-readings, characteristics of natural gas service, address, telephone number, and account number(s) for purposes of operation, maintenance, assignment, and transfer of your account.

**8. Expiration.** These Terms and Conditions will automatically expire on the earlier of the following dates: (A) at the end of the Term; (B) when the Program Agreement is suspended, is terminated, or expires; or (C) upon mutual written agreement between AEP Energy and the Governmental Aggregator, where permitted by the Governmental Aggregator's plan of operation and governance. As prescribed by the PUCO, at least every two (2) years, you will be given the opportunity to "opt-out" of the Program at no cost. You are responsible for arranging your natural gas supply upon the expiration of these Terms and Conditions.

**9. Dispute Procedures.** Contact AEP Energy with any questions concerning the terms of service, billing, disputes and complaints by phone at 1-877-726-0214 (toll-free), Monday – Friday from 8:00 am to 7:00 pm EST and Saturday from 9:00 am to 1:00 pm EST or in writing at AEP Energy, 1 Riverside Plaza, 20th Floor, Columbus, OH 43215, Attn: Customer Care. **10. CLASS ACTION WAIVER AND WAIVER OF JURY TRIAL.** Both you and AEP Energy agree that all actions, suits and/or proceedings arising out of, related to, or in connection with these Terms and Conditions shall be brought in the plaintiff's or claimant's individual capacity and not as a plaintiff, class member, or representative class member in any purported class action, collective action, or representative action or proceeding. THE PARTIES WAIVE ANY RIGHT TO ASSERT ANY CLAIMS AGAINST THE OTHER PARTY (INCLUDING ITS AFFILIATES, AGENTS, EMPLOYEES, DIRECTORS, OFFICERS, AND ASSIGNS) AS A REPRESENTATIVE OR MEMBER IN ANY CLASS ACTION, COLLECTIVE ACTION, OR REPRESENTATIVE ACTION OR PROCEEDING, EXCEPT WHERE SUCH WAIVER IS PROHIBITED BY LAW OR DEEMED BY A COURT OF LAW TO BE AGAINST PUBLIC POLICY. TO THE EXTENT EITHER PARTY IS PERMITTED BY LAW OR COURT OF LAW TO PROCEED WITH A CLASS OR REPRESENTATIVE ACTION AGAINST THE OTHER, THE PARTIES AGREE THAT: (A) THE PREVAILING PARTY SHALL NOT BE ENTITLED TO RECOVER ATTORNEYS' FEES OR COSTS ASSOCIATED WITH PURSUING THE CLASS OR REPRESENTATIVE ACTION (NOT WITHSTANDING ANY OTHER PROVISION IN THESE TERMS AND CONDITIONS); AND (B) THE PARTY WHO INITIATES THE PROCEEDING OR PARTICIPATES AS A NAMED REPRESENTATIVE OF ANY PURPORTED CLASS WILL NOT SUBMIT A CLAIM OR OTHERWISE

PARTICIPATE IN ANY RECOVERY SECURED THROUGH THE CLASS OR REPRESENTATIVE ACTION. Nothing in these Terms and Conditions shall impair your right to make an informal or a formal complaint to the PUCO. YOU AND AEP ENERGY BOTH AGREE THAT BOTH PARTIES ARE WAIVING A RIGHT TO A JURY TRIAL. This section shall survive termination of these Terms and Conditions.

**11. Warranty and Force Majeure.** AEP Energy warrants title to all commodity natural gas sold hereunder. THE WARRANTY SET FORTH IN THE PRECEDING SENTENCE IS EXCLUSIVE AND AEP ENERGY EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ARISING OUT OF ANY COURSE OF DEALING OR PURPOSE OR USAGE OF TRADE. AEP Energy will make commercially reasonable efforts to provide your commodity natural gas service, but does not guarantee a continuous supply of natural gas. AEP Energy will not be responsible for any failure to commence or terminate Retail Natural Gas Service on the relevant date described herein. Certain causes and events are out of the reasonable control of AEP Energy ("Force Majeure Events") and may result in interruptions in service. AEP Energy is not liable for damages caused by acts of God, changes in laws, rules or regulations or other acts of any governmental authority (including the PUCO), accidents, strikes, labor troubles, required maintenance work, inability to access the NGDC's system, nonperformance by the NGDC or any other cause beyond AEP Energy's reasonable control. If a Force Majeure Event occurs which renders AEP Energy unable to perform in whole or in part under these Terms and Conditions, our performance under these Terms and Conditions shall be excused for the duration of such event.

**12. LIMITATION OF LIABILITY AND REMEDIES.** UNLESS OTHERWISE EXPRESSLY PROVIDED HEREIN, TO THE EXTENT PERMITTED BY APPLICABLE LAWS AND REGULATIONS, ANY LIABILITY UNDER THESE TERMS AND CONDITIONS WILL BE LIMITED TO DIRECT, ACTUAL DAMAGES AS THE SOLE AND EXCLUSIVE REMEDY, AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, TREBLE, EXEMPLARY OR INDIRECT DAMAGES, WHETHER IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISIONS OR OTHERWISE, IN CONNECTION WITH THESE TERMS AND CONDITIONS. THE LIMITATIONS IMPOSED ON REMEDIES AND DAMAGE MEASUREMENT WILL BE WITHOUT REGARD TO CAUSE, INCLUDING NEGLIGENCE OF ANY PARTY, WHETHER SOLE, JOINT, CONCURRENT, ACTIVE OR PASSIVE AND SHALL SURVIVE TERMINATION, CANCELLATION, SUSPENSION, COMPLETION OR EXPIRATION OF THESE TERMS AND CONDITIONS; PROVIDED NO SUCH LIMITATION SHALL APPLY TO DAMAGES RESULTING FROM THE WILLFUL MISCONDUCT OF ANY PARTY. AEP ENERGY'S TOTAL LIABILITY UNDER THESE TERMS AND CONDITIONS WILL NOT EXCEED AN AMOUNT EQUAL TO THE CHARGES ON YOUR SINGLE LARGEST MONTHLY INVOICE FOR GENERATION SERVICE DURING THE TWELVE (12) MONTHS PRECEDING THE APPLICABLE CLAIM. NOTHING IN THESE TERMS AND CONDITIONS SHALL CONSTITUTE A WAIVER OF ANY RIGHTS YOU HAVE UNDER OHIO OR FEDERAL CONSUMER PROTECTION LAWS.

**13. Your Liability and Indemnification of AEP Energy.** You assume full responsibility for commodity natural gas supplied to you at and after the Delivery Point and agree to and shall indemnify, defend, and hold harmless AEP Energy, its parent company and all of its affiliates, and all of their respective managers, members, officers, directors, shareholders, associates, employees, servants, and agents from and against all claims, losses, expenses (including attorneys' fees), damages, demands,

AEP Energy may, upon prior written notice but without your consent, assign these Terms and Conditions to another licensed CRNGS provider, including any successor, in accordance with the rules and regulations of the PUCO. Any provision or section of these Terms and Conditions declared or rendered void, unlawful, or otherwise unenforceable shall not otherwise affect the lawful obligations that arise under these Terms and Conditions.

Any court action arising out of these Terms and Conditions shall be litigated exclusively in the federal court, if it has jurisdiction over the matter, or the state court, if there is no federal jurisdiction, located within Franklin County, Ohio. You and AEP Energy expressly consent and irrevocably submit to the jurisdiction of said courts for purpose of any such actions and covenant not to sue in any other court. You and AEP Energy further agree not to raise, and waive, any objections or defenses based upon venue or forum non conveniens.

AEP Energy may not disclose your customer account number or any customer information for any purpose other than for operation, maintenance, assignment, and transfer of your account, or for performing collection and credit reporting activities, and may not disclose or use your social security number for any purpose other than to perform a credit check, without your express written or electronic authorization, except in accordance with rules 4901:1-29-06 and 4901:1-29-09 of the Ohio Administrative Code. AEP Energy assumes no responsibility or liability for the following items that are the responsibility of the NGDC: operation and maintenance of the NGDC's system, any interruption of service, termination of service, or deterioration of the NGDC's service. In the event of a loss of service, you should contact your NGDC. AEP Energy reserves the right to re-price the applicable account(s). PLAN OF OPERATION AND GOVERNANCE  
Natural Gas Governmental Aggregation**

**Introduction.** On November 4, 2014 a majority of the voters in the Village of Golf Manor, OH approved a referendum that authorized the Village of Golf Manor ("the Village") to pursue Automatic Governmental Aggregation. After the Village held two public hearings on the matter, as prescribed by Section 4929.26 of the Ohio Revised Code, the Village approved this Plan of Operation and Governance, prepared in accordance with Section 4901:1-28-03 of the Ohio Administrative Code. Once certified as a Governmental Aggregator, the Village will be authorized to combine multiple retail natural gas customer loads within its geographic boundaries (the "Aggregation") for the purpose of arranging for the purchase of natural gas supply in Ohio's competitive retail natural gas market.

**Governmental Aggregation Services.** The Village, as a Governmental Aggregator, will serve as purchasing agent for the Aggregation. As purchasing agent, the Governmental Aggregator shall (i) select a Competitive Retail Natural Gas Supplier ("Supplier") to supply the Aggregation, (ii) negotiate the terms of supply between the Supplier and each Aggregation participant, and (iii) oversee the enrollment procedures administered by the Supplier.

**The Contract.** The supply contract negotiated by the Governmental Aggregator for the Aggregation (the "Contract") shall be for firm, all-requirements supply. Each Aggregation participant will be individually bound to the Supplier by the Contract, and will be solely responsible for payment and performance. The natural gas supply charges for the Aggregation are included in the Contract that will be negotiated by the Governmental Aggregator. The natural gas supply charges will take the form of either a fixed price or a variable price. All natural gas supply charges will be fully and prominently disclosed in consumer enrollment materials (such as the Opt-out Notice), available on the Supplier's website, and available by calling the Supplier's toll free customer service telephone number.

**Eligibility, Opt-out Disclosures, and Pooling Accounts.** Section 4901:1-28-05 of the Ohio Administrative Code requires Duke Energy-Ohio (the "Utility") to use its best efforts to provide the Governmental Aggregator with an account list of eligible customers, including the names, account numbers, and service and mailing addresses for all eligible customers residing within the Governmental Aggregator's boundaries. The following customers are not eligible: customers on the Percentage of Income Payment Plan (PIPP), customers that have past due amounts owing to the Utility, customers that are already under contract with a competitive retail natural gas supplier, and mercantile customers. Using this list of eligible accounts the Supplier, with the assistance of the Governmental Aggregator, will review the list to verify that the eligible accounts are located within the geographic limits of the Village and that an area within the Village limits has not been inadvertently filtered from the list.

The Supplier, with assistance from the Governmental Aggregator, will prepare and mail an "Opt-out Notice" to each account identified as (i) eligible by the Utility and (ii) within the geographic limits of the Village by the Governmental Aggregator and the Supplier, within thirty (30) days of receipt of the list from the Utility. The Opt-out Notice will inform the eligible account holder that the Governmental Aggregator is forming an automatic (or "Opt-out") aggregation, provide the price for natural gas supply to the Aggregation and other terms and conditions of service, and explain how the account holder can decline participation in the Aggregation. As required by 4901:1-28-04 of the Ohio Administrative Code, the Opt-out Notice will indicate that the account holder has 21 days to affirmatively respond by telephoning a toll-free number, using a website or returning a postcard to the Supplier that is included in the Opt-out Notice.

The Supplier will receive all Opt-out requests and adjust the eligible account list accordingly. In addition, if any Opt-out Notices are returned by mail to Supplier marked as undeliverable, those accounts are removed from the eligible account list as well. Upon completion of the 21 day Opt-out period, the Supplier will notify the Utility of the remaining accounts that will form the Aggregation, and through an electronic data interchange transaction, enroll the Aggregation. Upon enrollment, each participant will receive an enrollment notice from the Utility that will indicate that the enrollee may rescind its participation in the Aggregation by contacting the Utility within seven business days.

In addition to the initial 21-day Opt-out period, each participant will be provided an opportunity to opt-out every two years without paying an early termination fee.

**Billing.** Aggregation participants will receive a single, monthly bill from the Utility, which will include charges from the Supplier for its natural gas supply, as well as the Utility distribution charges. Aggregation participants will be billed according to their Utility billing cycle.

**Credit, Collections and Deposits.** The Utility's credit and collection policy and policies regarding deposits will apply to the Aggregation participants and shall be administered by the Utility. Neither the Governmental Aggregator, nor the Supplier will implement additional policies with respect to credit, deposits and collections.

**Concerns and Complaints.** Aggregation participants will have multiple means of expressing concerns and reporting complaints. As a general rule, concerns regarding service reliability and billing should be directed to the Utility. The Utility will continue to read meters, handle billing, and generally have the most information about the physical service to a location or account. Questions regarding the administration of the Aggregation should be directed to the Supplier. The Supplier's customer service center is available by telephone 24 hours per day, 7 days per week. Any unresolved disputes should be directed to the Public Utilities Commission of Ohio and/or the Ohio Consumers Council. As a convenience, below is a list of helpful toll free telephone numbers.

The Supplier will attempt to resolve all customer complaints in a timely and good faith manner. The Supplier shall investigate and provide a status report to the customer when the complaint is made directly to them and/or the Village within three (3) business days following receipt of the complaint. Or in the case of a Public Utilities Commission of Ohio ("PUCO") complaint the Supplier will investigate and provide a status report to the PUCO staff within three (3) business days following receipt of the complaint. If an investigation into a complaint received from the customer or a complaint referred by the PUCO is not completed within ten (10) business days, then a status report will be given to the customer, or the PUCO staff, as applicable. These status reports will be given every three (3) business days until the investigation is complete, unless the action that must be taken takes longer than three (3) business days and the customer has been notified. Final results of a Commission-referred complaint will be provided to the PUCO either orally (phone) or in writing (e-mail, written correspondence), no later than three (3) business

days after the investigation is completed. The final results of a complaint may be requested in writing by the customer or the PUCO staff. Records of customer complaints will be retained for two (2) years after the occurrence of the complaint. A copy of the complaint record will be provided to the PUCO within three (3) business days, if requested. Customers are informed in a contract disclosure of the following procedures of handling complaints and disputes: "Buyer may contact Seller (i) by calling 24 hours per day, 7 days per week at [Seller's toll free number here], by visiting [www.\[Seller's web address here\]](http://www.[Seller's web address here]); or (ii) by writing us at [Seller's mailing address here]. Seller will attempt to resolve all customer complaints in a timely manner and will respond to all complaints within 3 business days of receipt. If Buyer's complaint is not resolved after Buyer has called Seller, or for general utility information, residential and business customers may contact the public utilities commission of Ohio (PUCO) for assistance at 1-800-686-7826 (toll-free) from eight a.m. to five p.m. weekdays, or at <http://www.puco.ohio.gov>. Hearing or speech impaired customers may contact the PUCO via 7-1-1 (Ohio relay service). The Ohio consumers' counsel (OCC) represents residential utility customers in matters before the PUCO. The OCC can be contacted at 1-877-742-5622 (toll free) from eight a.m. to five p.m. weekdays, or at <http://www.pickocc.org>."

**Moving within the Village.** Aggregation participants who move from one location to another within the corporate limits of the Village and retain the same account number, will remain an Aggregation participant and will receive the same price they would have received if their location had not moved.

Aggregation participants who move from one location to another within the corporate limits of the Village and are assigned a new account number may enroll their new account in the Aggregation and receive the same price as they would have received if their location had not moved, provided the new account is eligible for Aggregation. Participants who move and receive a new account number may be dropped from the Aggregation by the Utility, but they will not be charged an early termination fee from the Supplier. If a participant is dropped from the Aggregation due to a move within the Village, the participant should contact the Supplier to be re-enrolled.

**Moving outside of the Village.** Aggregation participants who move out of the Village limits will no longer be eligible to participate in the Aggregation, but they will not be charged an early termination fee from the Supplier.

**Enrolling after the Opt-out Period.** Residential and small business accounts located within the Village's corporate limits that are eligible to join the Aggregation but initially chose to opt-out of the Aggregation, or otherwise weren't included in the Aggregation, may join the Aggregation after the expiration of the applicable Opt-Out Period by contacting the Supplier. The rate for those joining the Aggregation after the expiration of the Opt-out Period may be different from the rate negotiated for the Aggregation by the Government Aggregator.

In the event that the Supplier is able to offer to newly eligible customers the same price that is provided to the current Aggregation participants, the Supplier may refresh the Aggregation by providing those who move in to the Village the opportunity to be included automatically, rather than waiting until the next pricing term of the Contract. The process for refreshing the Aggregation with new enrollments would follow the process noted above for determining eligibility, providing Opt-out Notices, and pooling the accounts. (Current Aggregation participants and those who previously declined participation would not receive the Opt-out Notice intended only for newly eligible customers.)

**EXHIBIT B-1 "AUTHORIZING ORDINANCE"**

2014 AUG -1 AM 11:27

**ORDINANCE NO. 2014 - 8**

**AN ORDINANCE AUTHORIZING ALL ACTIONS NECESSARY TO EFFECT A  
GOVERNMENTAL NATURAL GAS VILLAGE AGGREGATION PROGRAM  
WITH OPT-OUT PROVISIONS PURSUANT TO SECTION 4929.26, OHIO  
REVISED CODE, DIRECTING THE HAMILTON COUNTY BOARD OF  
ELECTION TO SUBMIT A BALLOT QUESTION TO THE ELECTORS AND  
DECLARING AN EMERGENCY**

**WHEREAS**, the Ohio Legislature has enacted natural gas deregulation legislation which authorizes the legislative authorities of municipal corporations, townships and counties to aggregate automatically, pursuant to Section 4929.26 of the Ohio Revised Code, subject to opt-out provisions, competitive natural gas service for the retail natural gas loads located in the respective jurisdictions and to enter into service agreements to facilitate the sale and purchase of the service for the natural gas loads; and

**WHEREAS**, such legislative authorities may exercise such authority jointly with any other legislative authorities;

**WHEREAS**, governmental aggregation provides an opportunity for residential and small business customers collectively to participate in the potential benefits of natural gas deregulation through lower natural gas rates which they would not otherwise be able to have individually;

**WHEREAS**, the Council seeks to establish a governmental aggregation program with opt-out provisions pursuant to Section 4929.26, Ohio Revised Code (the "Aggregation Program"), for the residents, businesses and other electric consumers in the Village of Golf Manor and in conjunction jointly with any other municipal corporation, township, county or other political subdivision of the State of Ohio, as permitted by law.

**NOW THEREFORE, BE IT ORDAINED** by the Council of the Village of Golf Manor, State of Ohio:

**SECTION I.**

This Council finds and determines that it is in the best interest of the Village of Golf Manor, its residents, businesses and other natural gas consumers located within the corporate limits of Golf Manor, Ohio to establish the Aggregation Program in the Village of Golf Manor. Provided that this Ordinance and the Aggregation Program is approved by the electors of the Village of Golf Manor pursuant to Section 2 of this Ordinance, the Village of Golf Manor is hereby authorized to aggregate in accordance with Section 4929.26, Ohio Revised Code, the retail natural gas loads located within Golf Manor, Ohio, and, for that purpose, to enter into service agreements to facilitate for those loads the sale and purchase of natural gas. The Village of Golf Manor may exercise such authority

jointly with any other municipal corporation, township or county or other political subdivision of the State of Ohio to the full extent permitted by law. The aggregation will occur automatically for each person owning, occupying, controlling, or using a natural gas load center proposed to be aggregated and will provide for the opt-out rights described in Section 3 of this Ordinance.

## **SECTION II.**

The Board of Elections of Hamilton County, Ohio is hereby directed to submit the following question to the electors of the Village of Golf Manor at the general election on November 4, 2014.

**"Shall the Village of Golf Manor have the authority to aggregate the retail natural gas loads located in the Village of Golf Manor, and for that purpose, enter into service agreements to facilitate for those loads the sale and purchase of natural gas, such aggregation to occur automatically except where any person elects to opt out?"**

The Village Clerk of this Council is instructed immediately to file a certified copy of this Ordinance and the proposed form of the ballot question with the Hamilton County Board of Elections not less than ninety (90) days prior to November 4, 2014. The Aggregation Program shall not take effect unless approved by a majority of the electors voting upon this Ordinance and the Aggregation Program provided for herein at the election held pursuant to this Section 2 and Section 4929.26 of the Ohio Revised Code.

## **SECTION III.**

Upon the approval of a majority of the electors voting at the election provided for in Section 2 of this Ordinance, this Council individually or jointly with any other political subdivision, shall develop a plan of operation and governance for the Aggregation Program. Before adopting such plan, this Council shall hold at least two public hearings on the plan. Before the first hearing, notice of the hearings shall be published once a week for two consecutive weeks in a newspaper of general circulation in the Village of Golf Manor. The notice shall summarize the plan and state the date, time, and location of each hearing. No plan adopted by this Council shall aggregate the natural gas load of any natural gas load center within the Village of Golf Manor unless it in advance clearly discloses to the person owning, occupying, controlling, or using the load center that the person will be enrolled automatically in the Aggregation Program and will remain so enrolled unless the person affirmatively elects by a stated procedure not to be so enrolled. The disclosure shall state prominently the rates, charges, and other terms and conditions of enrollment. The stated procedure shall allow any person enrolled in the Aggregation Program the opportunity to opt out of the program every three years without paying a switching fee. Any such person that opts out of the Aggregation Program

pursuant to the stated procedure shall default to the standard service offer provided by the electric service company providing distribution service for the person's retail natural gas load until the person chooses an alternative supplier.

**SECTION IV.**

The Council finds and determines that all formal actions of this Council concerning and relating to the adoption of this Ordinance were taken in an open meeting of this Council and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

**SECTION V.**

This Ordinance is hereby declared to be an emergency measure, necessary for the preservation of the public peace, health, welfare, and safety of the Village of Golf Manor. The reason for the emergency is to make a timely filing with the Hamilton County Board of Elections for placement on the ballot at the November 4, 2014 general election.
