Re: Case Number 21-1231-EL-BGN  
Fountain Point Solar Project

To Whom It May Concern:

I reside in Perry Township, Logan County, Ohio. I am also in the Benjamin Logan School District.

Attached is a map showing the addresses of support that Fountain Point has to date based off the petition submitted into the case record and the handful of support letters. Adding the petition addresses and the support letters, there is a total of 174 addresses.

It is clear from the location of the addresses that the majority are not within the footprint of the project.

Fountain Point Solar Project does not satisfy the public need, convenience, and necessity. Please listen to the majority of Logan County residents and deny this project.

Thank you,
