SETTLEMENT AGREEMENT

I. Introduction

Pursuant to Rule 4901:2-7-11 of the Ohio Administrative Code (O.A.C.), Brian A. Hoss (Respondent) and the Staff of the Transportation Department of the Public Utilities Commission of Ohio (Staff) enter into this settlement agreement and urge the Commission to adopt the same.

It is understood by the Respondent and the Staff that this Settlement Agreement is not binding upon the Public Utilities Commission of Ohio (Commission). This agreement, however, is based on the Respondent's and the Staff's desire to arrive at a reasonable result considering the law, facts and circumstances. Accordingly, the Respondent and the Staff believe that the Commission should adopt this Settlement Agreement.

This settlement agreement is submitted on the condition that the Commission adopts the agreed-upon terms. In the event the Commission rejects any part of the settlement agreement, or adds to, or otherwise materially modifies

its terms, either party shall have the right, within thirty days of the date of the Commission's entry or order, to file an application for rehearing that includes a request to terminate and withdraw from the Settlement Agreement. Upon the application for rehearing and request to terminate and withdraw from the Settlement Agreement being granted by the Commission, the Settlement Agreement shall immediately become null and void. In such event, the parties shall proceed to a hearing as if this Settlement Agreement had never been executed.

- E. This settlement agreement shall not become effective until adopted by an Opinion and Order of the Commission. The date of the entry or of the Commission adopting the settlement agreement shall be considered the effective date of the settlement agreement.
- F. This settlement agreement is made in settlement of all factual or legal issues of only this case. It is not intended to have any effect whatsoever in any other case or proceeding.
