DOCKETING CASE #: 21-887-EL-AIR

Case No. 21-0887

21-0888

SUBJECT: Duke Energy Ohio - Protest Rate Case

21-0889

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: I just saw that Duke Energy will be getting a 30% increase on their generation bids. If Duke is actually bidding the generation charges, why are their rates higher than my co-op rates or rates that can be found with other suppliers? With Duke's buying power, they should be able to negotiate rates less than others. Do they actually place bids on the open market or do they use scam bids so they can charge more
