SUBJECT: Ohio Power Company - Protest Rate Case 23-0024-EL-AAM

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Message: At a time when it has increased its quarterly dividend to shareholders up to 83 cents per share, it seems odd that AEP would increase rates as high as 28%. As a retired voter, this increase will create an undue burden on me and my family. I urge you to oppose it.
