**MEMORANDUM IN SUPPORT
OF
MOTION FOR LEAVE TO AMEND
ANNUAL REPORTS FOR CALENDAR YEARS 2019 AND 2020**

Interactive Energy Group LLC (“IEG”) is authorized to provide competitive retail electric and natural gas services in Ohio, and holds Certificate Nos. 17-1266E and 17-624G, which were issued in Case Nos. 17-1991-EL-AGG and 17-1992-GA-AGG respectively.

Pursuant to the Commission’s directives in its Entries issued in the above-captioned dockets, IEG submitted Annual Reports for Fiscal Assessment for calendar years 2019 and 2020. It was discovered that, due to employee errors, the information in its Annual Reports for Certificate 17-1266E for calendar years 2019 and 2020 contained erroneous data regarding fees/commissions. As a result, IEG seeks leave to amend the following annual reports:

Annual Report Calendar Year	Commodity Sales
2019	Electricity
2020	Electricity

Through this motion, IEG requests leave to amend these two Annual Reports to report the correct fees/commissions. Upon approval of this motion, IEG will proceed to amend and resubmit the two above-listed Annual Reports through the Commission’s PUCO Community.¹

¹ IEG notes that the PUCO Community correctly reflects its electric fees/commission amounts in 2018, and for that reason, it is not seeking to amend the electric Annual Report for calendar year 2018. When IEG accessed that Annual Report previously, it found that the amounts were incorrect, which it presumes were the result of a system issue that has since been resolved.

WHEREFORE, IEG respectfully requests that the Commission grant this motion and allow IEG to amend the above-listed electric Annual Reports for Fiscal Assessment for calendar years 2019 and 2020.

Respectfully submitted,

/s/ Gretchen L. Petrucci
