A-13. Company history**Our Mission**

Our mission is to be the most effective Brokering agent available to the energy marketing industry and to help the consumer manage their energy costs through effective energy purchasing strategies.

To support that mission, the owners bring over 30 years of sales experience to our clients and customers, with 11 years directly related to the Energy Markets in both Gas and Electric. By employing well-trained representatives, stringent policies related to the industry rules, effective management, and sales techniques, CES guarantees a degree of excellence in the field which supports our efforts in successfully attaining our mission goals.

Public Utilities Commission

Overview

Consumer Energy Solutions was founded in 1999 and has enrolled over 2 million residential and 200,000 commercial customers across the United States and Canada.

We represent some of the largest energy suppliers in North America and have serviced many Fortune 500 companies.

We accomplish our goals by continuous research into the energy markets around the country. CES has built over the last 24 years a successful team of Sales Managers and Sales Consultants who are well educated in the Energy Supplier services industry, and is proud to serve the industry and its customers in maintaining and ensuring a degree of excellence and competence by training all those who work within CES on the important issues in the Energy Supplier Industry to provide the best services possible.

Patrick Clouden

CEO and Co-Owner

Patrick founded CES 24 years ago and uses his extensive sales and business experience to guide the company. Before CES, he was partner and co-founder of Least Cost Routing, Inc., which was sold to Primus Telecommunications, a publicly traded company.

Patrick's passion is in the area of education and apprenticing of individuals so they in turn can gain confidence and ability to generate high performance at their jobs. His research in this area culminated in an outstanding training program for the company's sales team.

A good family man and coming from a family of nine children, his philosophy is to create a team of people that has high pride and what they do and truly enjoys working together.

No

Section C: Applicant Financial Capability and Experience

C-1. Financial reporting

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

Does not apply

C-2. Financial statements

Provide copies of the applicant's two most recent years of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted**.

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

Preferred to file this information confidentially

C-3. Forecasted financial statements

Provide two years of forecasted income statements **based solely on the applicant's anticipated business activities in the state of Ohio**.

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities

only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

Preferred to file confidentially

C-4. Credit rating

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services, Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

File(s) attached

C-5. Credit report

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity seeking certification. At a minimum, the credit report must show summary information and an overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

No

C-8. Corporate structure

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies, subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

Stand-alone entity with no affiliate or subsidiary companies

Section D: Applicant Technical Capacity

D-1. Operations

Power brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of electricity to retail customers.

Operations Description: QUALIFYING FACTORS CREATING CES AS A LEADER IN ITS INDUSTRY

1. Consumer Energy Solutions Inc has a proven 24 year track record in the industry as broker/marketers licensed in and serving the Energy Supplier Markets in Pennsylvania, Maryland, Maine, New Hampshire, Rhode Island, New Jersey, Massachusetts, and Connecticut.
2. Neither CES nor any of its affiliated interests have been denied approval by a State Commission to sell electricity to Retail Electric Consumers or has had its authority revoked in the Gas and Electric markets it serves.
3. Consumer Energy Solutions follows certain protocols and sets company policy to both monitor and control the quality of its outreach and to fulfill its duty as a Broker. First, any and all employees who will have contact with the public are trained in the Energy Industry basics and then, are trained specific to each program it offers to the consumer with the program patterns and guidelines. There is a specific 5 tier training program for all new employees and those wishing to advance to managerial positions in the sales areas must accomplish all the Mandatory Training and show proven skill in the sales area before attaining final Manager Status. Company disciplinary procedures and implementation of those procedures are also keyed to the industry and designed from the view of complete professionalism on the part of every company employee.
4. Consumer Energy Solutions records all calls, and through routine and daily call monitoring from its Quality Control Department, takes a proactive approach in maintaining an assurance of industry standards in its marketing activities.
5. Consumer Energy Solutions, Inc. maintains a Customer Service department dedicated to quickly resolve any customer questions or complaints that may occur with its own dedicated call lines.
6. In addition to the above, Consumer Energy Solutions uses a third party verification company to verify all its offers and acceptances of offers from the consumers who wish to take advantage of the energy programs they are informed of. The verification service employs recorded verification procedures which are then provided to CES for its obligations in record keeping management of all marketing calls.
7. CES maintains an advanced IT Department to enable it to effectively reach, monitor and maintain its internal record keeping obligations, as well as custom designed programs to monitor and track all aspects of the business life cycle involved.
8. CES retains a dedicated Corporate Regulatory Assistant, who in liaison with the company attorneys, monitors, tracks, and keeps its licensing and other obligations as an industry supplier current in each of the states it operates in, as well as assists in the internal procedures to track and ensure correct handling of marketing related regulations and rules as applicable to such items as, Do Not Call lists, Slamming prohibitions, and any other items related to regulations, as the various individual program offers from suppliers are implemented and presented to the consumer.

CES has taken the time and the interest to create a company that effectively serves the Energy Industry in the current retail and commercial markets and has created a model for future markets in industrial, large commercial, and the markets for the existing and emerging resources in renewable energy and biotechnologies.

D-2. Operations Expertise & Key Technical Personnel

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-mail addresses, and background of key personnel involved in the operations of the applicant's business.

STOCK PERFORMANCE

No stock performance data is available for this D-U-N-S Number.

The scores and ratings included in this report are designed as a tool to assist the user in making their own credit related decisions, and should be used as part of a balanced and complete assessment relying on the knowledge and expertise of the reader, and where appropriate on other information sources. The score and rating models are developed using statistical analysis in order to generate a prediction of future events. Dun & Bradstreet monitors the performance of thousands of businesses in order to identify characteristics common to specific business events. These characteristics are weighted by significance to form rules within its models that identify other businesses with similar characteristics in order to provide a score or rating.

Dun & Bradstreet's scores and ratings are not a statement of what will happen, but an indication of what is more likely to happen based on previous experience. Though Dun & Bradstreet uses extensive procedures to maintain the quality of its information, Dun & Bradstreet cannot guarantee that it is accurate, complete or timely, and this may affect the included scores and ratings. Your use of this report is subject to applicable law, and to the terms of your agreement with Dun & Bradstreet.

Dun & Bradstreet thinks...

- Overall assessment of this organization over the next 12 months: **STABLE CONDITION**
- Based on the predicted risk of business discontinuation: **LIKELIHOOD-OF-CONTINUED-OPERATIONS**
- Based on the predicted risk of severely delinquent payments: **VERY LOW POTENTIAL FOR SEVERELY DELINQUENT PAYMENTS**

US\$ 180,000

The recommended limit is based on a low probability of severe delinquency.

D&B VIABILITY RATING SUMMARY

The D&B Viability Rating uses D&B's proprietary analytics to compare the most predictive business risk indicators and deliver a highly reliable assessment of the probability that a company will go out of business, become dormant/inactive, or file for bankruptcy/insolvency within the next 12 months. The D&B Viability Rating is made up of 4 components:

Viability Score

Compared to All US Businesses within the D&B Database:

- Level of Risk:**Low Risk**
- Businesses ranked **2** have a probability of becoming no longer viable: **2 %**
- Percentage of businesses ranked **2**: **4 %**
- Across all US businesses, the average probability of becoming no longer viable:**14 %**

Portfolio Comparison

Compared to All US Businesses within the same MODEL SEGMENT:

- Model Segment :**Established Trade Payments**
- Level of Risk:**Low Risk**
- Businesses ranked **1** within this model segment have a probability of becoming no longer viable: **2 %**
- Percentage of businesses ranked **1** with this model segment: **11 %**
- Within this model segment, the average probability of becoming no longer viable:**5 %**

Accounts are sometimes placed for collection even though the existence or amount of the debt is disputed. Payment experiences reflect how bills are met in relation to the terms granted. In some instances payment beyond terms can be the result of disputes over merchandise, skipped invoices etc. Each experience shown represents a separate account reported by a supplier. Updated trade experiences replace those previously reported.

State of Florida :

Patrick Clouden, Affiant, being duly sworn/affirmed, hereby states that:

1. The information provided within the certification or certification renewal application and supporting information is complete, true, and accurate to the best knowledge of affiant, and that it will amend its application while it is pending if any substantial changes occur regarding the information provided.
2. The applicant will timely file an annual report of its intrastate gross receipts, gross earnings, and sales of kilowatt-hours of electricity pursuant to Sections 4905.10(A), 4911.18(A), and 4928.06(F), Ohio Revised Code.
3. The applicant will timely pay any assessment made pursuant to Sections 4905.10, 4911.18, and 4928.06(F), Ohio Revised Code.
4. The applicant will comply with all applicable rules and orders adopted by the Public Utilities Commission of Ohio pursuant to Title 49, Ohio Revised Code.
5. The applicant will cooperate fully with the Public Utilities Commission of Ohio, and its Staff on any utility matter including the investigation of any consumer complaint regarding any service offered or provided by the applicant.
6. The applicant will fully comply with Section 4928.09, Ohio Revised Code regarding consent to the jurisdiction of Ohio Courts and the service of process.
7. The applicant will comply with all state and/or federal rules and regulations concerning consumer protection, the environment, and advertising/promotions.
8. The applicant will use its best efforts to verify that any entity with whom it has a contractual relationship to purchase power is in compliance with all applicable licensing requirements of the Federal Energy Regulatory Commission and the Public Utilities Commission of Ohio.
9. The applicant will cooperate fully with the Public Utilities Commission of Ohio, the electric distribution companies, the regional transmission entities, and other electric suppliers in the event of an emergency condition that may jeopardize the safety and reliability of the electric service in accordance with the emergency plans and other procedures as may be determined appropriate by the Commission.
10. If applicable to the service(s) the applicant will provide, it will adhere to the reliability standards of (1) the North American Electric Reliability Council (NERC), (2) the appropriate regional reliability council(s), and (3) the Public Utilities Commission of Ohio.
11. The Applicant will inform the Public Utilities Commission of Ohio of any material change to the information supplied in the application within 30 days of such material change, including any change in contact person for regulatory purposes or contact person for Staff use in investigating consumer complaints.

12. The facts set forth above are true and accurate to the best of his/her knowledge, information, and belief and that he/she expects said applicant to be able to prove the same at any hearing hereof.

13. Affiant further sayeth naught.

STOCK PERFORMANCE

No stock performance data is available for this D-U-N-S Number.

The scores and ratings included in this report are designed as a tool to assist the user in making their own credit related decisions, and should be used as part of a balanced and complete assessment relying on the knowledge and expertise of the reader, and where appropriate on other information sources. The score and rating models are developed using statistical analysis in order to generate a prediction of future events. Dun & Bradstreet monitors the performance of thousands of businesses in order to identify characteristics common to specific business events. These characteristics are weighted by significance to form rules within its models that identify other businesses with similar characteristics in order to provide a score or rating.

Dun & Bradstreet's scores and ratings are not a statement of what will happen, but an indication of what is more likely to happen based on previous experience. Though Dun & Bradstreet uses extensive procedures to maintain the quality of its information, Dun & Bradstreet cannot guarantee that it is accurate, complete or timely, and this may affect the included scores and ratings. Accounts are sometimes placed for collection even though the existence or amount of the debt is disputed. Payment experiences reflect how bills are met in relation to the terms granted. In some instances payment beyond terms can be the result of disputes over merchandise, skipped invoices etc. Each experience shown represents a separate account reported by a supplier. Updated trade experiences replace those previously reported.
