Project Name:	Oak Run Solar Project
Enter your Comment or Complaint:	<p>I'd like the OPSB to give the green light to Oak Run Solar Project for the following reasons. 1) It's high time to start following through on the alternative energy talk. Lip service, which we have elevated to an art form, is not going to get it done; frankly, the NIMBY excuses are pathetic. 2) We need to start thinking longer term, even if we find it inconvenient. I will soon turn 75; the ensuing uproar from climate change won't affect me much, really. That said, I also have children and grandkids, and with any luck, they'll be here to face the consequences we adults</p>
