

IN THE MATTER OF THE COMPLAINT OF
ALAN JONES

VS.

Respondent.

Complainant moves that the Commission Entry for Continuance for the revised hearing date of June 28, 2023 be vacated and the original hearing date of May 30, 2023 be reinstated or another date acceptable to parties.

I. Facts

1. On May 18, 2023 2:30 PM, The Cleveland Electric Illuminating Company's (CEI) representative, John Breig Jr. attempted to contain complainant via phone and left a voicemail requesting consent to not oppose a continuance.
2. Complainant replied via email (copy attached) to Mr. Breig, on May 18, 2023 3:03PM that complainant would not oppose a motion for a continuance. Complainant stipulated that he was not available certain dates, including June 28, 2023.

II. Argument

1. Complainant stipulated that not opposing the continuance was subject to certain conditions.
2. Conditions, i.e. dates available, were not met. Complainant withdraws his not opposing continuance.

III. Conclusion

1. For the foregoing reasons, complainant requests for the continuance be withdrawn and hearing be reset to original date or other acceptable date to complainant.
