**RE: Pre-Application Notification Letter
In the matter of the Construction Notice Application of Ohio
Power Company for a Certificate of Environmental
Compatibility and Public Need for the Hedding Road-Morrow
Co-op 138 kV Transmission Line Relocation Project in Case No. 23-0569-
EL-BNR**

Dear Ms Troupe:

Ohio Power Company (the “Company”) files this pre-application notification letter for the above-referenced Project pursuant to Rule 4906-6-03(A) of the Ohio Administrative Code.

The Company proposes to construct the Hedding Road-Morrow Co-op 138 kV Transmission Line Relocation Project (the “Project”) located in South Bloomfield Township, Morrow County, Ohio. The Project calls for moving the centerline of the existing Hedding Road–Morrow Co-op 138 kV line as a result of replacing Hedding Road Switch, an asset of AEP Ohio Transmission Company, Inc. and its associated transmission structure. The new switch and realigning the West Mount Vernon-North Waldo 138 kV line to the new switch location will be assets of AEP Ohio Transmission Company, Inc. and will be filed separately with the OPSB (OPSB Case No. 23-0570-EL-BLN).

The Company anticipates that construction of the Project will begin in September 2023. The anticipated in-service date for the Project is October 2023.

Respectfully submitted,

/s/ Hector Garcia
Hector Garcia (0084517), Counsel of Record
Counsel for Ohio Power Company
