## FLOOD HAZARD AREA DEVELOPMENT PERMIT

This permit is issued based on documentation that the information provided in the Flood Hazard Development PERMIT Application is in compliance with the Belmont County Flood Damage Reduction Regulations.

Address or property location: Bridge crossing McMahon Creek on Glencoe Stewartsville Rd.

Description of development activity: Temporary bridge crossing with timber matting.

The permittee understands and agrees that:

- No filling is to be performed within the regulated Floodway.
- An as-built Elevation Certificate will be submitted to the Floodplain Administrator after the first floor of a new, substantially improved, or substantially damaged, residential or nonresidential structure is constructed;
- A final Letter of Map Revision will be obtained where a Conditional Letter of Map Revision was required as part of the permit application;
- The permit is issued on the representations made herein and on the application for permit;
- The permit may be revoked because of any breach of representation;
- Once a permit is revoked all work shall cease until the permit is reissued or a new permit is issued;
- The permit will not grant any right or privileges to erect any structure or use any premises described for any purposes or in any or in any manner prohibited by codes or regulations of the community;
- The permittee hereby gives consent to the Floodplain Administrator to enter and inspect activity covered under the provisions of the Floodplain Management Regulations;
- The permit form will be posted in a conspicuous place on the premises in plain view;
- The permit shall expire if no work is commenced within one year of issuance.
