**RE: Hedding Road Switch and West Mount Vernon-North Waldo 138 kV
Relocation Project
Proof of Compliance with O.A.C. 4906-6-07 and 4906-6-08
Case No. 23-0570-EL-BLN**

Dear Ms. Troupe:

AEP Ohio Transmission Company, Inc., hereby files this proof of compliance with the notice requirements set forth in Rules 4906-6-07 and 4906-6-08 of the Ohio Administrative Code for the above-referenced project applications:

1. In accordance with O.A.C. 4906-6-07(A), AEP Ohio Transmission Company, Inc. shipped Notification Letters to public officials and libraries on June 2, 2023, via USPS First Class Mail.
2. In accordance with O.A.C. 4906-6-07(A), AEP Ohio Transmission Company, Inc. served a copy of the accepted, complete application to public officials and libraries on June 2, 2023, as the enclosed tracking information demonstrates.
3. In accordance with O.A.C. 4906-6-08(B), AEP Ohio Transmission Company, Inc. shipped Notification Letters describing the project to each property owner and affected tenant via USPS First Class Mail on June 2, 2023. The letter met all the requirements of this rule.

4. In accordance with O.A.C. 4906-6-08(A), Ohio Power Company published public notices of the Letter of Notification in the Morrow County Sentinel in the project's area on June 7, 2023.

Respectfully submitted,

/s/ Hector Garcia-Santana

1. Use the 'Print' button on this page to print your label to your laser or inkjet printer.
2. Fold the printed page along the horizontal line.
3. Place label in shipping pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional billing charges, along with the cancellation of your FedEx account number.

Use of this system constitutes your agreement to the service conditions in the current FedEx Service Guide, available on [fedex.com](https://www.fedex.com). FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$1,000, e.g. jewelry, precious metals, negotiable instruments and other items listed in our ServiceGuide. Written claims must be filed within strict time limits, see current FedEx Service Guide.

In the Division II girls' long jump, Juliette Laracuentehuebner of Highland not only set the state meet record, but also the Owens Stadium record.

Juliette Laracuentehuebner opened her weekend at the state track and field meet by setting a Division II girls' record in the high jump.

State

From page 1B

the third try. While she was unsuccessful in her attempt to clear 6', she had her first championship and a new Division II record.

"It means a lot," she said. "Every year I come in and I'm very hungry for the state title in the high jump. It's just such a tough competition with Karis (Willow of Liberty Benton) and Allison (Klinefelter of Columbus Academy) and all those girls who even made it here. They all popped up some great numbers this season and popped up some great numbers today. That pressure was real. It has been for the past three years, so I'm very glad I got my chance up there and the top of the podium."

She added that, even

though she didn't have a miss until her record-setting height, it wasn't easy. She clipped the bar numerous times, but not hard enough to knock it off and give her a miss.

"Those first few heights, it was pretty scary," she said. "I kept hitting it. I got very lucky on a few of those that they stayed up and I had a clean mark all the way through except for 5'10.75."

Later that day, she would advance to the finals of both the 100 hurdles and 200. In the hurdles, she had the fastest preliminary time of 14.13 and was second-quickest in the 200 with a time of 25.09.

She then would be a perfect three-for-three on Saturday. She opened the day with the long jump, which she had won in both of the past two state meet. This year would be no exception, as she

claimed a state meet and Owens Stadium record jump of 19'11" on her second try and added three more leaps of over 19 feet.

Surprisingly, it was anger at both her performance and a long wait for the event's awards presentation that fueled her for the rest of the day.

"Coming off the long jump, I was angry that I didn't get 20, so sitting under there kind of made me a little bit angrier and I was ready to get after it and go for the hurdles," she said. "Just talking to some of the girls I competed with and who I've been competing with for a few years now calmed me down. They're just the best people to talk to. They understand everything and all the sacrifices you had to make. I tried to calm down a little bit, but I was still pretty angry and let that fuel me for the rest of the

day."

That added motivation definitely didn't hurt. She won the 100 hurdles by nearly a second, posting a time of 13.64. That time was a quarter of a second better than the Division II record, but the wind was determined a bit excessive for it to count. Later in the afternoon, she finished the 200 in 24.23, winning by .38 over St. Clairsville's Emma Henry, who had posted the top time in the prelims.

"I was ready to go out there and attack those hurdles and I did that," she said. "Unfortunately, it was wind-aided, so it doesn't count. In that 200, I knew I was going to have to take that if I wanted a chance of winning the team title or even getting second, so I just gave it my all and blacked out those last 20 meters and fell to the ground after. It was awesome. The long jump was

definitely a good set-up and the support this week has been amazing. I definitely felt the love, for sure."

For her high school career, Laracuentehuebner finishes with six state meet championships and 10 more state titles during the indoor track season — numbers that ensure her a place in Ohio track history.

"It just means a lot," she said. "I just want to leave a legacy behind and I'm glad I came out here and won four, set meet records, put my name out there and made sure everyone knew who I was."

Wendt stated there is one big reason his star claimed that much success over her career: hard work.

"Work ethic," he said. "I've seen her in the weight room and there are football players in there and assistant foot-

ball coaches and they'll see me the next morning at school and they'll go, 'Juliette, I can't believe what she deadlifted; I can't believe what she squatted.' It's not just volume or mass, it's that she works in the weight room. It's not lifting to feel good, we all know those kind of people. She works her butt off in the weight room. It's the work ethic. I've never seen anything like it."

And that ethic led her to a level of success Wendt also has never witnessed.

"It's just a great honor, it really is," he said of her team trophy. "It's a great honor to be part of that. To have a more than generational talent. I've used that term for years, but I will never, ever see something like this again."

NOTICE OF PROPOSED MAJOR UTILITY FACILITY

AEP Ohio and Ohio Power Company representatives plan power upgrades to replace inoperable equipment and help restore power quickly during an outage in South Bloomfield Township, Morrow County.

The Hedding Road Switch and West Mount Vernon-North Waldo 138 kV Relocation Project replaces a switch pole and moves the existing West Mount-North Waldo 138-kilovolt (kV) transmission line by 0.2 miles. The plans also involve replacing one pole along the Hedding Road - Morrow Co-op 138-kV transmission line to shift the line to connect it to the new switch pole.

Ohio Power Company representatives filed a Letter of Notification with the Ohio Power Siting Board (OPSB) as the Hedding Road Switch and West Mount Vernon-North Waldo 138 kV Relocation Project Case. No. Case No. 23-0570-EL-BLN. The Letter of Notification to construct, operate and maintain this facility awaits OPSB review. If approved, construction begins in September and concludes by October.

The OPSB accepts motions to intervene in the Letter of Notification up to 10 days following the publication of this notice. The requirements to intervene are included in Rule 4906-2-12 of the Ohio Administrative Code. Please address motions to the Ohio Power Siting Board, 180 E. Broad St., Columbus, Ohio, 43215-3793 and cite Case No. 23-0570-EL-BLN.

Case No. 23-0569-EL-BNR

Dear Neighbor,

You are receiving this letter because public records show you own property or live near a proposed electric transmission project.

AEP Ohio representatives plan to replace a switch pole and move the existing West Mount- North Waldon 138-kilovolt (kV) transmission line in South Bloomfield Township, Morrow County by 0.2 miles. The plans also involve replacing one pole along the Hedding Road – Morrow Co-op 138 kV transmission line to shift the line and connect it to the new switch pole. The planned upgrades replace inoperable equipment and help restore power quickly during an outage.

We have filed the following applications with the Ohio Power Siting Board (OPSB):

- Letter of Notification: Hedding Road Switch and West Mount Vernon-North Waldo 138 kV Relocation Project, Case No. 23-0570-EL-BLN
- Construction Notice: Hedding Road-Morrow Co-op 138 kV Transmission Line Relocation Project, Case No. 23-0569-EL-BNR

If approved, construction begins in September and concludes by October.

Please see Page 3 of this document for key regulatory information associated with this project.

You're encouraged to comment on this regulatory update by:
