Staff Review and Recommendation for
Case No. 20-1268-GA-CRS

By Entry dated July 11, 2022, SunSea Energy OH LLC (SunSea Energy OH LLC or Applicant) the certification application was filed for review. On August 3, 2022, the renewal application was suspended in order to give the Commission and Staff additional time to consider the application and resolve a pending PNC notice.

Initially, the applicant was in discussions with staff about a pending PNC that required more time to evaluate. In the following months, a discussion and resolution was reached with staff and the competitive retail natural gas supplier (CRNGS) review was able to be completed. Therefore, Staff recommends that the certification application of SunSea Energy OH LLC should be approved.
