Dear OPSB.

I am opposed to the Fountain Point Solar Project and request that you DENY it. I live within the footprint of this project and do not relish the thought of staring at and being exposed to the effects of solar panels for the rest of my life. It is so easy to be "Pro-Solar" when someone else has to deal with with it on a daily basis. THE FOUNTAIN POINT SOLAR PROJECT CLEARLY DOES NOT SATISFY THE PUBLIC INTEREST, CONVENIENCE, AND NECESSITY AS REQUIRED BY YOUR DECISION CRITERIA and this is reflected by the overwhelming volume of opposition letters that have been sent to you.
