RE: Opposition to Fountain Point Solar Project

I strongly oppose the Fountain Point Solar Project. As a resident tax payer of Rushcreek Township and within the Benjamin Logan School District, I am totally aware of the potential revenue this project could bring to the school district and county. The assault on our community, our grid reliability, and our way of life far outweighs any "promised" taxpayer funded payouts.

This project violates both state and local farmland protection policies and the Fountain Point Solar Project DOES NOT satisfy the public interest, convenience and necessity as required by your decision criteria.

I EXPECT YOU TO DENY THE FOUNTAIN POINT SOLAR PROJECT.
