Re: Case No. 21-0856-GA-AGG

Dear Ms. Troupe:

Time4Energy LLC has appreciated the opportunity to be a licensed competitive retail natural gas service provider in the State of Ohio. Time4Energy understands that such a license is a privilege and thanks the Commission for giving Time4Energy the opportunity. After review of its business model, Time4Energy has decided that it will not renew Certificate No. 21-100697G. Time4Energy services no customers under this certificate and understands should it wish to apply in the future it will have to re-apply not renew. The purpose of this letter is to notify the Commission that Time4Energy is making the business decision not to renew certificate No. 21-100697G and not simply letting it lapse as a result of missing deadlines. If you have any questions or concerns please contact Time4Energy's counsel, Robert Dove.

Respectfully,

/s/ Robert Dove
