RE: Opposition to Fountain Point Solar Project

I **strongly oppose** the Fountain Point Solar Project. As a resident taxpayer of Logan County and within the Benjamin Logan School District, I am totally aware of the potential revenue this project could bring to the school district and county. The assault on our community, our grid reliability, and our way of life far outweighs any "promised" taxpayer funded payouts.

This project violates both state and local farmland protection policies and according to SB52, the Fountain Point Solar Project **DOES NOT** satisfy the public interest, convenience and necessity.

I EXPECT YOU TO DENY THE FOUNTAIN POINT SOLAR PROJECT.
