SUBJECT: First Energy Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

The customer's comments are below:

The First Energy proposal should not include any new or additional fees that are passed onto consumers. After the recent illegal activity for which a settlement was reached, this is only a new way to recoup those losses. Residents paid over \$3/month Do NOT ALLOW THE ADDITIONAL FEES.

Sincerely,
