DOCKETING CASE #:23-0301

SUBJECT: Ohio Edison Company - Protest Rate Case

Comments: If they are allowed to raise there prices anymore me my wife and kids are going to be homeless like alot more people will is that the goal here in ohio see how many people ohio can make homeless by allowing increased prices on everything I make 934 a month. I guess low income people don't matter. Increases should not even be considered for the next 4 years or more these company's don't need the money. Raise taxes on rich not hurt us poor folk anymore bout time ohio helps little people more.
