This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

I can hardly believe the fact that after the public has been deceived and manipulated by our "representatives" in the Ohio Statehouse that the same companies have the nerve to request a rate increase. My big refund after the embarrassing mess of HB6 was \$7.81. And right on the heels of that they ask for a rate increase? It used to be the PUCO was concerned about the customer but it no longer seems to be the case. I would hope that the Commission would understand that the burden of a company cannot be continually put back on the consumer.
