SUBJECT: Ohio Edison Company - Protest Rate Case

Please docket the associated customer comment (First Energy, a company who received a billion dollar bailout after paying out 70 million dollars in bribes to this commission and state Republicans (Bribes they charged back to the consumer) is once again asking you to raise Ohioans electric bill for things they should already be doing. This is a unconscionable request. You must reject First Energy's request for more money.If you side with the utility again over the consumers you are supposed to protect, you will demonstrate once more that this is a sham organization controlled by the very utilities it is supposed to regulate.) and/or attached in the case number referenced above under "Public Comments". Case Number: 00831724

Dear Louis Appleby:

Thank you for contacting the Public Utilities Commission of Ohio (PUCO) regarding FirstEnergy Ohio's (FE Ohio) Electric Security Plan (ESP) application filed on April 5, 2023.

The PUCO is responsible for ensuring that utilities across the state provide safe and reliable service. In formulating its decision in a case, the Commission must balance interests of many parties and stakeholders while adhering to its mission. The PUCO also takes great care to review the company's financial records to ensure that the rates set do not result in over-collection of revenue.

FE Ohio requested that the new ESP, ESP V, commence upon the expiration of the current ESP IV (June 1, 2024) and continue through May 31, 2032. This plan is for the supply of the SSO (Standard Service Offer) electric generation, and other related matters. The SSO is sometimes known as the default rate and is the price for electric generation service for customers that do not participate in a government aggregation program or select their own retail electric supplier.

Three public hearings have been scheduled to take place throughout

September of 2023. Those that testify will have their comments included in the case record. A list of the public hearing dates is available at <https://puco.ohio.gov/news/feesphearings>.

The company's application and all related documents are available at www.PUCO.ohio.gov, under case no. 23-0301-EL-SSO. Click on the link to "Docketing information System" (DIS). You can then enter the case number in the "Case Lookup" search field. Additionally, I have filed your comments in the case docket; as a result, your comments will form a permanent part of the record.

Should you have any additional utility-related questions, please do not hesitate to contact the PUCO Call Center at (800) 686-PUCO (7826) or visit our website at www.PUCO.ohio.gov.

Sincerely,

Candy Yates
