DOCKETING CASE #: 23-0301-EL-SSO

SUBJECT: Cleveland Electric Illuminating Company - Protest Rate Case

You've allowed this company to swindle us into paying for bribes and subsidies for failing power plants. We have received nothing back for this criminal behavior. Now they have the audacity to want us to pay more!!

no! Cut the salaries of the executives that perpetrated the bribery scam and pay for the tree trimming. If the PUCO allows this we will know that the payoffs are continuing!
