This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. I am referencing First Energy's latest proposal for a rate increase. I DO NOT SUPPORT First Energy's newest proposal to increase my electric bill beginning June 2024.

I do not feel that First Energy should be passing on legal fees/issues to consumers over illegally financing an Ohio politician.

I want my voice to be heard. I do not support First Energy's newest proposal to increase my electric bill.
