SUBJECT: The Toledo Edison Company - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

After a recent rate increase, First Energy is now asking for another \$1.4 Billion to pad their coffers. Even though we have 2 nuclear power plants within shouting distance from our community, our rates continue to be among the highest in the state. First Energy has done nothing to help relieve the continued increases, and gives no consideration to retirees on fixed incomes. The gouging has to stop. PLEASE, DO NOT APPROVE ANOTHER RATE HIKE!
