**DOCKETING CASE #: 23-0301-EL-SSO**

**SUBJECT:** The Toledo Edison Company - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

The consumers are paying too much for utilities as it is. How dare you want to continue to nickel and dime hard working people and for what? What is the purpose or point of this increase? No, we are not paying!! This would include the gas bill as well. If you all want to do these "projects " find anyway to pay for them instead of putting the price/cost on the consumers

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
