DOCKETING CASE #: 23-0301-EL-SSO

SUBJECT: The Toledo Edison Company - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

I'm filing as a customer of Toledo Edison to officially voice my opposition to the proposed rate hike. There is no evidence in their request that this will benefit the consumer, nor is there evidence that they have exhausted all other means of funding the outlined investments. It's clear from their operation they have immense funds available to bribe corrupt republican politicians in our state, pay illegitimate "consulting" fees to avoid prosecution for said bribery, and fund lobbying activities. Until these activities no longer have any funding and top management has taken reduced salaries, there should be no possibility to increase costs for consumers.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
