**SUBJECT:** Ohio Edison Company - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

I oppose the new riders and rate increase proposed. Bills are complicated already. Some of the charges in the riders are otherwise covered by other charges (or should be).

Please deny this request.
