DOCKETING CASE #: 23-0301

SUBJECT:

Please docket the associated customer comment "The amount (for 8 years) in the SSO for low income consumers is LESS than the amount First Energy bribed Larry Householder to get HB6 passed (\$61 million). This ought to be used as minimum ANNUAL amount for low income consumer support, since the company can clearly afford to waste such money on criminal enterprises.

It is an insult to the poor of Ohio that First Energy offers less than the bribes for which they were convicted." and/or attached in the case number referenced above under "Public Comments". Case Number: 00833857

Dear Anthony Martin:

Thank you for contacting the Public Utilities Commission of Ohio (PUCO) regarding FirstEnergy Ohio's (FE Ohio) Electric Security Plan (ESP) application filed on April 5, 2023.

The PUCO is responsible for ensuring that utilities across the state provide safe and reliable service. In formulating its decision in a case, the Commission must balance interests of many parties and stakeholders while adhering to its mission. The PUCO also takes great care to review the company's financial records to ensure that the rates set do not result in over-collection of revenue.

FE Ohio requested that the new ESP, ESP V, commence upon the expiration of the current ESP IV (June 1, 2024) and continue through May 31, 2032. This plan is for the supply of the SSO (Standard Service Offer) electric generation, and other related matters. The SSO is sometimes known as the default rate and is the price for electric generation service for customers that do not participate in a government aggregation program or select their own retail electric supplier.

The company's application and all related documents are available at www.PUCO.ohio.gov, under case no. 23-0301-EL-SSO. Click on the link

to "Docketing Information System" (DIS). You can then enter the case number in the "Case Lookup" search field. Additionally, I have filed your comments in the case docket; as a result, your comments will form a permanent part of the record.

Should you have any additional utility-related questions, please do not hesitate to contact the PUCO Call Center at (800) 686-PUCO (7826) or visit our website at www.PUCO.ohio.gov.

Sincerely,

Candy Yates
